

2026 FALL DISTRICT MEETINGS

Vermont-NEA invites you to join fellow members and association leaders for your district's annual Fall District Meeting. Together, we will discuss the critical issues educators are facing every day, including school safety, collective bargaining, health care, pensions, and the future of public education in Vermont. The Fall District Meetings also serve as a listening tour for Vermont-NEA statewide officers, board directors, and staff as we work to shape our legislative agenda, develop the Vermont-NEA budget, implement strategic goals, and identify the best ways to support our local affiliates. This dinner meeting is free and is open to all active members. We hope you'll join us for this important opportunity to connect with colleagues and help shape the future of public education in Vermont.
