Vermonters work hard and deserve livable wages, job opportunities, affordable childcare, and paid family leave. Moving many benefits away from employers and to a universal system makes sense for a more just society and makes sense for enabling small businesses to compete for talent with larger companies. I want to be an advocate for all Vermonters, including the most vulnerable.

Q10

Anything you want to add on institutional racism?

I think the appointment of a statewide Director of Racial Equity is a great first step. I would take any recommendations from that office and from the Commission on Women very seriously. As a citizen I currently work with anti-racism organizations and organizations that deal with domestic and sexual violence regularly and would continue to listen to their experiences and requests. I am deeply moved by the current activism and feel we must do more to elevate anti-racist voices and policies.
